FIRST 15 SECONDS RETENTION CHECKLIST & PATTERN INTERRUPT DESIGN

- ☐ Click Confirmation: First frame visually matches thumbnail promise within 1.5 seconds
- ☐ Stakes Established: Viewer immediately understands what they gain or lose by watching
- ☐ Baggage Stripped: Zero "Hey guys, welcome back" throat-clearing intros
- ☐ Open Loop Planted: Central question or payoff teased before second 10
- ☐ Visual Motion: Camera movement, dynamic zoom, or B-roll cut within first 3 seconds
- ☐ Reading Grade Level: Hook script uses punchy, conversational 5th-grade readability
